NOTICE OF INTENT TO ACT UPON A REVISED REGULATION

Notice of Hearing for the Revised Adoption/Amendment of Regulations of the State of Nevada Department of Administration Hearings Division as proposed in LCB File No. R102-23.

The Hearings Division of the Department of Administration ("Hearings Division") will hold a public hearing on November 7, 2024, at 10:00 am at 2200 S. Rancho Drive, Suite 220, Las Vegas, Nevada 89102 concerning revised regulations for an electronic filing system. The purpose of this hearing is to receive comments from all interested persons regarding such regulations.

Persons with disabilities who require special accommodation or assistance at the public hearing are required to notify the Hearings Division in writing at least three (3) business days prior to the scheduled hearing date.

The following information is provided pursuant to the requirements of Nevada Revised Statute (NRS) 233B.0603:

- 1. The need and the purpose of the proposed revised regulations and/or amendments:** This regulation is needed because the Hearings Division currently does not have the authority to implement an electronic filing system.
- 2. Description of the proposed revised regulation, or the subjects and issues involved:** The proposed revised regulation enables the Hearings Division to implement an electronic filing system. Currently there are no regulations that allow for the development of an electronic filing system.
- 3. Estimated economic effect of the revised regulation on the business which it is to regulate and on the public:** The development and implementation of an electronic filing system will dramatically reduce current costs for the stakeholders that have cases in the Hearings Division.
- 4. Methods used by the agency in determining the impact on a small business:** Each filer should see a dramatic reduction in costs to litigate cases in the Hearings Division. No longer will a filer be required to physically transport documents to the Hearings Division or to opposing parties. Documents will be submitted electronically thereby eliminating the necessity of copying, transporting, and physically serving documents. The electronic filing system should reduce costs for all the filers within the system.
- 5. The estimated cost to the agency for enforcement of the proposed revised regulation:** No costs.

6. **Description and citation of duplicative or overlapping regulations of other state or local governmental agencies:** There is no duplication or overlap of regulations of state or local government agencies.
7. **Is the revised regulation required by federal law?** This regulation is not required pursuant to federal law.
8. **Does the revised regulation include provision more stringent than a federal regulation regarding the same activity?** There is no federal law affecting or overlapping the proposed regulations.
9. **Does the proposed revised regulation establish a new fee or increase an existing fee?** The proposed regulations do not establish a new fee nor increase an existing fee of the regulating agency.

Persons wishing to comment upon the proposed action of the Hearings Division may appear at the scheduled public hearing or may address their comments, data, views, or arguments, in written form, to Nevada Department of Administration, Hearings Division 2200 S. Rancho Drive, Suite 220, Las Vegas, NV 89102. Written submissions must be received by the Hearings Division on or before November 4, 2024. **REVISED ADOPTED REGULATION OF THE CHIEF

THE DEPARTMENT OF ADMINISTRATION**

LCB File No. R102-23

EXPLANATION - Matter in **italics** is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§ 1-7, NRS 616C.310.

A REGULATION relating to industrial insurance, requiring the Hearings Division of the Department of Administration to develop and maintain an electronic filing system for contested cases; requiring the use of the electronic filing system by certain parties; requiring the Hearings Division to facilitate access to the electronic filing system by certain parties; revising provisions governing the filing and service of process of documents related to contested cases; providing that certain procedures relating to contested cases apply to licensed representatives; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes an aggrieved party in a contested case relating to industrial insurance to: (1) request a hearing before a hearing officer; and (2) appeal from a decision of a hearing officer or from a determination made by certain parties. (NRS 616C.315, 616C.345) Existing law authorizes the Chief of the Hearings Division of the Department of Administration to establish regulations to provide for specific procedures for the determination of contested cases. (NRS 616C.310) **Section 1** of this regulation requires the Hearings Division to: (1) develop and maintain an electronic filing system for the filing and service of documents relating to a contested case; (2) facilitate access to the electronic filing system by a party who is not represented by counsel or by a licensed representative; and (3) provide training in the use of the electronic filing system. **Section 1** also requires a party to a contested case to use the electronic filing system unless the party is not represented by counsel or by a licensed representative. **Section 3** of this regulation makes conforming changes to existing regulations relating to the filing and service of documents in contested cases to account for the use of the electronic filing system.

Existing regulations set forth the procedure for parties to a contested claim to forego a hearing before a hearing officer and submit the contested claim directly to an appeals officer, including a requirement that the parties submit to the hearing officer a written stipulation signed

by the insurer or a third-party administrator and the employer. (NAC 616C.275) **Section 2** of this regulation provides instead that the written stipulation must be signed by the: (1) insurer or third-party administrator, or their respective counsel; and (2) employer or employer's counsel or licensed representative.

Existing regulations provide that proof of service in a contested case may be made by certificate of the counsel for a party or of the counsel's employee. (NAC 616C.294) **Section 4** of this regulation provides that proof of service may also be made by certificate of the licensed representative for a party or of the licensed representative's employee.

Existing regulations provide that certain papers and documents filed in a contested case do not need to conform to any particular format. (NAC 616C.303) **Section 5** of this regulation removes this requirement. **Section 5** also eliminates a requirement for a party to furnish to other parties copies of certain papers and documents.

Existing regulations provide that counsel of record is deemed to be counsel for the party until written notice of the withdrawal and the substitution of counsel is filed with the appeals officer. (NAC 616C.321) **Section 6** of this regulation provides that the counsel or licensed representative of record, as applicable, is deemed to be the counsel or licensed representative for the party until written notice of the withdrawal and substitution of counsel or licensed representative is filed with the appeals officer.

Section 1. Chapter 616C of NAC is hereby amended by adding thereto a new section to read as follows:

1. The Hearings Division will develop and maintain an electronic filing system for the filing and service of documents relating to a contested case under chapters 616A to 617, inclusive, of NRS. In developing and implementing the electronic filing system, the Hearings Division will, to the extent practicable, ensure consistency with the Nevada Electronic Filing and Conversion Rules adopted by the Nevada Supreme Court.

2. Except as otherwise provided in this subsection, a party to a contested case under chapters 616A to 617, inclusive, of NRS must use the electronic filing system. A party is not required to use the electronic filing system if he or she is not represented by counsel or by a licensed representative.

3. *A party who is not represented by counsel or by a licensed representative may use the electronic filing system by delivering a document to the Hearings Division. The Hearings Division will facilitate any such party's access to the electronic filing system.*
